

## SUPPORT OUR SCHOOL!

The School Spirit Sticker Machine is a great new addition to our fundraising efforts. For .50-75 cents, the students can purchase a kid-friendly sticker of their choice from several different selections. The product selections are updated regularly and we will have our own customized "School Spirit Stickers" in the machine as well!.

More details can be found at: http://stickermachineinfo.com. We receive a portion of all sticker sales, so please consider supporting your school in this way. Thank you!
