

4th – 6th Grade Coed Soccer Team Tryouts

Hello Parents,

The Wolf Canyon Coed Soccer Team **tryouts** will be on **Tuesday, January 16th** from 3:30 – 5:00 after school. Proper athletic clothing, cleats and shin guards are mandatory. ***It is important that students realize that this is a competitive league.** We will have **over 30 students tryout** for a roster of up to **only 15 players**. **Not everyone will make the team.**

Practices for players who make the team will start Tuesday, January 23rd and continue **Tuesdays and Thursdays from 3:30 – 5:00**. Games will start in February and will most likely be on Thursdays. We won't know for sure until the schedules come out in early February. Either way, we'll continue to have practices on Tuesdays once games begin. Games normally start at 4pm and some will be played here at Wolf Canyon as well as various other Chula Vista Schools. It all depends on what schools sign up and end up in our division. *Transportation will not be provided by the school. Parents can work out carpools if needed.

The season runs till the end of April, with possible playoffs continuing into mid-May.

I look forward to getting out there with our students and playing competitive soccer. Please let me know if you have any questions.
