

Wolf Canyon Elementary School  
**LAW ENFORCEMENT SURVEY**

September 9, 2024

We are looking for parents who work in law enforcement. Please let us know if you work in a law enforcement agency by completing the form below and return to your child's teacher **no later than Wednesday, October 9<sup>th</sup>**.

We will just be wrapping up our Red Ribbon week, and what better way than to end with Law Enforcement Day? We want to have as many law enforcement agencies represented during our **Law Enforcement Day on Friday, November 1<sup>st</sup> from 9:00-11:00 a.m.** Even if you cannot participate you may be able to put us in contact with someone from your agency that may be able to represent your agency.

Law Enforcement Day is designed to give law enforcement officials an opportunity to share with students what the job involves and what services are provided to the community. Stations are set up outside on the grass and blacktop area for each agency to display equipment related to the job, service vehicles and any other kind of paraphernalia you may have to pass out to children such as stickers, pencils, coloring books, etc.

Thank you,
